SUMMER PROJECT
Pre Primary

Dear parents,
Summer vacation is a cherished time for our children, brimming with joyful opportunities and adventure. Parents can make the most of this season by spending quality time with children, nurturing their talents, and boosting their confidence. Together, let's uncover their hidden potential and create unforgettable memories.

The holiday homework worksheets and activities are created in consideration with the recommendations outlined in NEP 2020, which emphasize a multidisciplinary approach and the child's entire well-being.

- Download worksheets from the school website.
- Arrange them in a beautifully decorated handmade folder (made from eco- friendly/waste material only).
- Submit child's summer project to the class teacher on 5th July, 2024
